

MSCASA SUMMER TRAININGS

FORECAST Advocate Training

"Just the Facts" (FORECAST), a Problem Based Solution Learning (PBSL) strategy, a full two-day training that presents the PBSL tiers, core concepts and practical application opportunities. Each advocate is encouraged to invite a community partner.

"LEP: It's the Law" Training

"Limited English Proficiency (LEP): It's the Law" (July 26-27, Southaven, MS) is a full, two-day training for agency staff who directly oversee the development and implementation of their organization's Limited English Proficiency plan. JJ Lara and Lumarie Orozco of Casa de Esperanza will be our facilitators. This train-the-trainer workshop will help participants to create LEP plans unique to their specific organizations and will prepare them to assist other agencies in drafting LEP plans.

Adult SANE Training

The SANE course, supported by the US Department of Justice, is a 40-hour course for experienced Registered Nurses. Nurses who complete the course are able to perform the nursing/forensic episode of care for the sexual assault victim in the Emergency Department and other areas of the Medical Agency. Nurses are also prepared to take the national Certification Exam offered through the International Association of Forensic Nurses. The model has been successful in as it frees the attending physician, provides a nurse with expertise and moves patients through the episode of care in a more efficient way.
